

Quit fighting the homework battle.

If homework time is turning into war time, **neuroAgility** has a way to make peace. The **Training Table** is an after-school program designed to help kids complete assignments, learn study skills, focus attention, improve their homework experience and build self-confidence.

The Training Table offers:

- Master's level educated, experienced staff specially trained to work with ADHD youth
- High staff-to-student ratio (only 4 kids per Study Skills Specialist)

If your child is between the ages of 12 and 20, stay on top of the game. Call neuroAgility today.
